

Confor
Promoting forestry and wood

Membership Benefits

Advocacy & Representation

- Confor gives forestry and wood-using businesses a voice in government
- National Managers represent members with regulators and grant providers on key issues
- Confor is there to help the sector during times of crisis as demonstrated during the pandemic
- Confor manages the Westminster Parliamentary Group on Forestry and Tree Planting
- Confor staff represent the sector on many nationally important groups and committees

Promotion

- Members can use the Confor logo on their website
- Members can pitch stories or promote their businesses through advertising and editorial opportunities in FTN and the E-newsletter
- Members can advertise job opportunities on Confor's jobs webpage
- Confor promotes awareness and understanding of the sector in the media
- Member Directory; a place where all Members details can be displayed. As well as being a great tool to communicate with other Members in your local area, it also enables anyone visiting our website to find relevant details on forestry/wood business services that they are seeking
- NEW Social Spotlight- this new benefit enables Members to share their stories/projects via the Confor social pages; LinkedIn, Instagram, Twitter for free to a key forestry audience. Members simply have to fill out a short form to be part of the new series

Information: Stay up to date

- Bi-monthly Forestry and Timber News Magazine
- Website with Members-only area, where exclusive resources are hosted
- Regular e-mail updates for members
- Bi-weekly e-newsletter with the latest industry updates and job vacancies
- Opportunities to be involved on Confor's social media platforms
- Opportunities to advertise your business
- National Managers and Confor's wider team are on hand to answer queries from members and offer advice
- Corporate members can sign their employees up to receive our E-newsletter

Confor also...

- Supports the Timber Transport Forum, a project that provides assistance to regional timber transport groups across the UK
- Provides technical support and industry development initiatives, such as skills and research and development
- Has a project to develop a carbon road map for the industry which will maintain the sector's lead position on achieving net zero
- Confor supports country Industry Leadership Groups, FISA and UKWAS
- Benefit programme with DELL offering our Members discounts on laptops, accessories and more

Events and free tickets

- We organise seminars, regional meetings, conferences, and field visits that are of interest to the sector
- Members gain free entry to the APF and the Confor Woodland Show
- Corporate members receive discounts on trade stand bookings and an allocation of free tickets for events
- Access to the Education and Provident Fund for professional development and hardship grants
- Receive priority tickets for our much-anticipated annual Confor Dinner and Awards
- APF Exhibition www.apfexhibition.co.uk
- Confor Woodland Show www.conforwoodlandshow.org.uk
